real estate due diligence is the first textbook on due diligence the cornerstone of every successful real estate deal due diligence is designed to uncover potential risks

posed by a real estate acquisition financing or development project and failure to carry it out successfully can result in costly oversights and diminished investment returns this book demonstrates how to assess and manage legal risks on properties such as office buildings shopping centres industrial buildings apartments and hotels before the transaction closes real estate students and practitioners are taken through all of the essential due diligence areas including titles and ownership issues zoning and land use liens and mortgages condition assessments environmental and operational concerns and lease analysis throughout the book major laws and court cases are used to illustrate due diligence issues and provide rich opportunities for classroom study and discussion practice points and comprehensive due diligence checklists help readers to go on to put their learning in practice this book fills a gap in the real estate literature and is perfect for use as a college textbook a practitioner s guide or for industry training

updated third edition there s a huge problem in the commercial real estate business that nobody is talking about due diligence investors are leaving big money on the table by not learning these essential principles most investors real estate brokers and commercial real estate professionals barely scratch the surface conducting their due diligence mainly because they don t know what they don t know i ve spent over 30 years helping investors buy and sell over 9 million square feet of property and witnessed the practices of professional and small investors it wasn t until i became an acquisition executive and learned some humiliating expensive lessons that i didn t know what i didn t know you will learn how to avoid mistakes with costly consequences create more value and more essential information for buying investment property this book is a 1 best seller of commercial real estate books on amazon it is an easy to follow proven step by step system that investors and real estate professionals use regularly while conducting their due diligence it will help you to make informed intelligent decisions when deciding whether to buy or not buy adhering to a proven system allows you to conduct due diligence faster easier more efficiently and you re less likely to miss something here are just a few of the lessons you ll learn negotiating the purchase and sale agreement and what you must include in order to maximize your opportunities to negotiate further with the seller super important to know reviewing the leases not knowing what provisions to watch for could cost you dearly once you own it don t leave it up to chance to work out uncovering hidden problems and issues sellers will not disclose these so you need to know where to look for them they will not hand you a list of problems about the property many of these issues could make or break your investment critical factors to consider during your financial analysis there s a list of essential questions included that must be addressed leaving these questions unanswered can be potentially devastating to an investment not over paying by making sure you re getting all you deserve by getting credited fairly for items on the closing statement this includes specific items to review instructions on what to ask for to minimize your chances of getting taken advantage of potentially losing big money by not having this

information these fundamentals remain the same and are all applicable whether they are residential rental properties industrial retail or office buildings this system will help reduce risk and create value for all of them in addition the handbook includes physical mechanical inspection photos that shows you what to look for and how to assess issues due diligence checklist due diligence document checklist sample tenant questionnaire a sample list of questions that you should ask of tenants when conducting a tenant interview this is a wealth of information when done properly learn this or lose out by having this valuable system you will be more prepared and confident in your ability to negotiate going up against any seller as a pilot uses a pre flight checklist prior to each flight you ll want to refer to this handbook every time you buy an investment property there are too many things to remember we need reminding as much as we need learning warren buffet said risk comes from not knowing what you re doing so having a proven system in place helps you know what you re doing buy the book now it will be one of the best investments in real estate you ever make not buying it could be one of your most costly decisions

version 2 has just been released in january 2013 please see information on the updated version professorbaron com

invest responsibly and generate long term value with the definitive guide to u s real estate investing written specifically for non u s investors whether you re an institutional investor already active or you re seeking to enter u s commercial real estate markets the afire guide to u s real estate investing serves as both an invaluable general overview and as an evergreen reference that you ll return to again and again from the association of foreign investors in real estate afire this new edition has been revised and expanded to bring you fully up to date on the issues and practices they need to build a solid real estate portfolio it includes a brand new

forward introduction and glossary as well as 35 new or updated chapters divided into four sections section 1 preparing for investment into the u s covers investment strategy real estate and tax law corporate responsibility industry resources and professional roles section 2 the commercial real estate lifecycle explores property due diligence acquisition operational management and disposition of u s real estate assets section 3 finance and partnerships explains important financial topics including information for lenders and borrowers joint ventures loans and debt commingled funds bankruptcy and islamic finance section 4 tax and regulatory issues discusses securities laws the bank secrecy act the patriot act office of foreign assets control taxation real estate investment trusts reits estates and gifts agreements and litigation other commercial real estate guides cover individual investors property flipping or the technical aspects of taxation and finance written just for you the afire guide to u s real estate investing takes the unique approach of focusing on international business finance and real estate as well as institutional long term multi generational investment

there s a huge problem in the commercial real estate business that nobody is talking about due diligence the vast majority of investors real estate brokers and commercial real estate professionals barely scratch the surface conducting their due diligence when purchasing commercial real estate investments investors are taking unnecessary risks making bad investments and throwing money away by not properly performing due diligence brokers are putting themselves at risk for potential litigation and missing an opportunity to help their clients as a true ally by learning these principles and adding more value for their clients when purchasing investment properties having and adhering to a proven system keeps you from missing something and allows you to do it faster more efficiently if you re an investor looking to buy apartments office industrial or retail buildings this proven system will help you to make it less stressful and allow you to make a more informed and intelligent decision i ve been in the commercial real estate industry for over 30 years and didn t know what i didn t know until i became an acquisition person for an investor and his investors some of these lessons were costly and frankly embarrassing this reference manual was put together during the acquisition of over 9 million square feet some of the things you will learn what to negotiate in the purchase and sale agreement so that you can maximize the opportunities for yourself when it comes time to negotiate further with the seller how to properly review leases so that you know what to look for that could be cause for concern how to choose a lender or mortgage broker third party reports such as environmental property condition assessment seismic pml geologic and other reports that a lender may require and what to look for in them tips on how to negotiate loan terms and specific provisions in them conducting tenant interviews and what questions to ask them so that you can uncover any problems or issues that you would otherwise not be made aware of super powerful must learn or you ll miss out cost cutting tips and strategies that will help you add value to the property once you own it what to look for when

reviewing books and records and what to ask the seller for one of the most critical processes done during the due diligence process is the underwriting and financial analysis in the book there is a list of questions that must be addressed and answered while adjusting your analysis of the investment and will help you to accurately assess the potential of how the numbers should work how to deal with the appraiser and appraisal process to be more proactive and enhance the potential for the highest possible loan amount how to ensure that you are getting everything you deserve when finalizing the transaction and what to look for on the closing statement that may be added by the seller or lender as a credit to them that you can get eliminated or at least negotiated down by being aware of what to look for in addition you get at the end of the book a sample lease abstract form which shows you how to fill in all the salient deal points and provisions of a lease document due diligence checklist a list of most all items of which you should ask a seller for when negotiating a purchase due diligence document checklist a list of most all of the documents you should request from a seller when negotiating a purchase sample tenant questionnaire a sample list of questions that you should ask of tenants when conducting a tenant interview the fundamentals remain the same when it comes to due diligence for any of the commercial real estate genres whether it be office or industrial properties retail or multi family residential i still use it as a reference tool whenever i m involved with due diligence we need reminding as much as we need learning there are just too many things to remember
